2010 CORVETTE AMERICAN FLAG DISPLAY APPLICATION

Corvette is the American Dream Sports Car! At the 2010 Corvettes at Carlisle we will again create a Corvette American Flag Tribute, but this time we'll make it even better! 158 Corvettes are needed to create the flag. The tribute will be on Friday, August 27, 2010. All participants must register for the Fun Field and will receive a special gift. Don't miss your chance to be a part of this special tribute to our country!

DETAILS

- 158 cars are needed for the flag: 35 blue, 57 red, 51 white, 15 silver (this is 54 more cars than the 2008 flag)
- 4 cars of each color will be taken on a "stand-by" list.
- Red & White cars will be parked between 10-11:30am. Blue cars between 11:30am-noon. Silver cars between noon-12:30.
- Cars must remain parked in the flag display from 12:30-3:30p.m. Once you are in the flag, you will be parked-in and will be unable to leave until it is disassembled!
- To achieve the best visual display, parking in the flag will be tight. Participants must be comfortable with parking and exiting the vehicle in a tight space.
- All owners are asked to return to their cars at 3:15p.m. for an aerial photo. Following the photo, cars will pull out of the flag and re-park on the fairgrounds so that owners may leave at their convenience.
