Carlisle Events and General Motors wish to extend a hearty welcome to everyone attending the Carlisle GM Nationals.

Our new name, “Carlisle GM Nationals,” was born out of a desire to update the name and work more closely with General Motors. We are in the process of updating the logo as well and working with GM to license the use of their logo. Touring the National Parts Depot (NPD) Showfield you can see many brands represented. Though some have been retired, the enthusiast base remains strong. Then there is the rebirth of old models, like Camaro that serves to reignite and fuel the passion for this hobby, which remains strong and viable today.

We are highlighting the Corvair in celebrating its 50th birthday and the Monte Carlo with its 40th. Don Yenko made the Corvair into a very successful race car. He used it to launch his career as a racer and a Chevrolet dealer featuring high performance vehicles. Using what he learned from the Corvair, Yenko went on to create many high performance vehicles out of his Chevrolet dealership that remain highly collectable today. Some pristine examples are on display in the Legendary Super Car Showroom located in Building G by Gate 1. The “Monte” has high performance roots as well. Straight off the showroom floor, these stylish coupes roared down the quarter mile in the 13-14 second range. Add the success of the “Monte” in NASCAR and you had the perfect recipe for a “Muscle Car” that was, and remains today a very popular choice for those folks collecting, loving and driving hot rods of the past.

Building T is headquarters for a number of our invited guests including world-renowned car artist David Snyder with his special form of car art. Sam Auwerx will be broadcasting his Drag Racers Reunion radio show “LIVE” from his roost in Building T before heading to the track on Friday. Be sure to see “Papa John” Schnatter’s 1971 Z-28. You all know the highly publicized story of his search for the car of his youth. The one that got away in order to help his father retain his business and help Papa John start his own business.

We welcome the Riviera Owners Association, attending Carlisle after their National Meet which was held in nearby Hershey. David North, part of the design team for the Riviera and Oldsmobile Toronado, joins us in celebrating these very stylish vehicles. The big cars rule with the Chevrolet Nationals presented by the GNISSC.

In our quest to see 1,000 F-Bodies on our NPD Showfield, we are joined by Pontiac Enthusiast Magazine. They are returning with a bigger & better “Pontiac Pavilion” where some of their hottest cover and feature cars will be on display. Meet special guests Jim Wangers, Dave Anderson and Milb Schornack. The editors of Pontiac Enthusiast Magazine will spend the weekend searching for hot Pontiacs to capture on film.

The American Camaro Association, hosts of the Camaro Nationals joins us to welcome Scott Settlemire from Chevrolet and John Fitzpatrick, Camaro Brand Manager. See concept Camaros that were featured at SEMA and test-drive some brand new Camaros!

Don’t forget, on Saturday you have a chance to win a 383ci Chevrolet engine built by Gardner Competition Engines, sponsored by Chevy Enthusiast magazine. And on Sunday you can win a 1979 Monte Carlo.

Use this directory as your weekend guide and please be sure to complete our post-event survey and sign up for our e-newsletter. Thanks and enjoy the timeless classics produced by GM.

GENERAL MOTORS

General Motors is here to show off their latest models and give you the chance to drive them as part of the GM Ride and Drive. See the line-up on PAGE 8. They have also brought several vehicles from the GM Heritage Collection. They are pictured on PAGE 9 and can be found in BUILDING T.

ACA CAMARO NATIONALS

Once again the American Camaro Association is here to host their 12th annual Camaro Nationals. 49 judged classes in 10 levels, from non-judged to ACA Concours will once again be offered. Goody bags for early registrants, hundreds of door prizes and a Camaro memorabilia auction will all be part of the celebration.

MANUFACTURERS MIDWAY, SWAP MEET & CAR CORRAL

Visit our partners on the Manufacturer’s Midway, shop the Car Corral and the Swap Meet with new product manufacturers, vintage accessories, parts and memorabilia. Vendors are listed by specialty and alphabetically starting on page 39. Vehicle documentation services are offered at the Notary Office in the Pavilion. Financial services are available through Members First Federal Credit Union, inside of Building T.

MONTE CARLO AND CORVAIR ANNIVERSARIES

With the 40th anniversary of the Monte Carlo and 50th anniversary of the Corvair, we are celebrating each model in a big way this weekend. Be sure to see the highlighted examples in the Building T display and don’t forget to visit the Monte Carlo and Corvair exclusive showfields.

LEGENDARY SUPER CAR SHOWROOM

The Legendary Super Car Showroom presented by the Super Car Workshop and Anone Auto Restoration is an awesome display of GM performance models that were taken to the next level by select dealerships, including Berger, Yenko, Dana, Harrell, Gibb, Motion and Nickey. This weekend’s display will put a special emphasis on 1970 models, believed by many to be the high-water mark in factory performance. For a sneak peak at some of the very rare, very valuable and very fast cars that will be on display in Building Y, SEE PAGES 23 & 25.

INVITATIONAL DISPLAY

BUILDING T features a special display of GM vehicles that represent every aspect of the hobby. A few prime examples of this weekend’s anniversary cars will be showcased. SEE PAGES 29-35.

READ ALL ABOUT WHAT THE ACA HAS PLANNED FOR F-BODY fans this year on PAGES 12-19.

GENERAL MOTORS

Take the opportunity to meet our special guests and obtain their autographs during the event. From legendary drag racers to GM executives, and club officials, read all about them on PAGE 10.

WIN A CAR

This year’s giveaway car is a 1979 Chevrolet Monte Carlo and you can see it on the Carlisle Stage. Read about the ’79 Monte Carlo and how you can win it on PAGE 11.

WIN AN ENGINE

This year’s giveaway engine is 383-cubic-inch Chevrolet Small Block V8, presented by Gardner Competition Engines and sponsored by Chevy Enthusiast Magazine and displayed by Easy-Run Engine Test Stands. Read about the engine and how you can win it on PAGE 11.

PAPA JOHN’S CAMARO

Papa John’s Schnatter’s original 1971 228 Camaro will be on display in Building T all weekend. Read more on PAGE 29.

ACCELERATED MOTORSPORTS DYNO

Sponsored by Motorsports, the official dyno of Carlisle Events, will be testing for maximum horsepower and torque on their Dynojet model 248 chassis dyno. Testing will cover front and rear wheel drive cars and trucks, including diesels. Fee applies. (SEE MAP).

BURNOUT CONTEST

No Carlisle event would be complete without the burnout contest. “Carlisle King (or Queen) of the Hill” bragging rights are up for grabs once again at the Carlisle GM Nationals. Pre-registration is required at Guest Services. A show sticker (i.e. registered for vending or NPD Showfield), driver’s license and proof of insurance are required. Participants are limited to 10 vehicles and 3 minutes each.

MS. CARLISLE GM NATIONALS

Contestants for Ms. Carlisle GM Nationals compete for cash prizes on Saturday evening at the grandstand. Ladies must register at Guest Services by the stage. PLEASE NOTE: We have implemented new rules and created a new format for Ms. Carlisle. See the registration form for details.

CLUBS

Clubs are a very important part of the event. Each year clubs compete to see which has the most vehicles in attendance and awards are presented to the top three. There is also an award presented to the club who has the coolest hang-out. See who won in 2009 on PAGE 36.

NPD SHOWFIELD AWARDS

See the winning vehicles from the National Parts Depot Showfield during the awards parade on Sunday at 1 PM at the grandstand. Winner’s lists will be available at 9 a.m. Sunday morning at the Winner’s Check-In Building on Duke’s Blvd. (the grey house on the right). See map in centerfold for locations.

INTERNET

PUBLIC Wireless Internet Access is available as a convenience to our guests. This is an unsecured wireless access to the Internet. You are responsible for maintaining the security of your information and your equipment when accessing the Internet. Carlisle Events assumes no responsibility and shall not be liable for any damages to your computer equipment or other property as a result of your use of this hot spot. Vendors in Building 5, Y or Z wishing to have Internet access should make arrangements prior to the event for “BOG” with the same provider of phone service to their sites.

PETS

Pets are strongly discouraged for health and safety reasons. If you cannot make other arrangements for boarding your pet, your pet must be under your control at all times, and you are fully responsible for its actions. Any offensive or unpleasant behavior by your pet may result in removal without refund.

TRANSPORTATION

For safety reasons, the use of all personal means of transportation (bikes, scooters, golf carts, ATVs, motorcycles or motorcycles with sidecars, etc.) is forbidden on the Fairgrounds from 7 a.m.-5 p.m. on all show days. No unlicensed drivers may operate these vehicles at any time. Notification of insurance is required.

WARNING TO ALL ATTENDEES

Dangerous conditions can exist on the Fairgrounds. Due to exposure to the weather, area may become slippery or soft. Due to the nature of the goods displayed, heavy and sometimes dangerous equipment and moving vehicles are frequently present. Carlisle Productions cannot be responsible for the conduct of vendors and patrons entering their premises. Those who enter the Fairgrounds do so at their own risk.

HIGHLIGHTS
HIGHLIGHTS

Registration. Winners must check in to join the parade or to pick up their award. If you cannot attend the event on Sunday, your award may be shipped to you for a $10 fee or picked up at our office during regular business hours or at any future event.

WINNER’S CIRCLE

Last year we introduced a new judging format and the exclusive winner’s circle to the GM Nationals. The Winner’s Circle is a “best-of” award given to the elite vehicles on the NPD showfield this weekend. The award is a jacket bearing the GM Nationals Winner’s Circle logo. Winner’s Circle results will be posted on the winner’s list, available 9 a.m. Sunday morning.

ROCK CRAWL

On Saturday at 11 a.m., attend “Off Road 101” with Rausch Creek Off Road Park at their tent beside the rock pile while they walk and talk you through all the things you need to know to get started on the Carlisle Rock Pile. If you are comfortable, they will “rock” you through a short course. Vehicles registered on the NPD showfield are eligible to participate. (SEE MAP).

DRAG RACING

Drag Racing takes place Friday evening at the 1/8 mile NHRA-sanctioned Quarter Aces Drag-O-Way. Qualifying is from 3 - 6 PM and Eliminations and Exhibit Passes begin at 6 PM. (Directions are available at Guest Services.) Free transportation is provided to and from the track continuously starting at 4 PM from Gate 2. Spectator/pit crew admission fee is $12 and free for children under 12. Drag racing fee is $40.

ROCKET CAR

Fun for kids both big and small, the rocket car blasts off once again at the Carlisle GM Nationals. Ride the rocket car across the Carlisle fairgrounds or to the track on Friday night. SEE MAP for the Rocket Car Pickup point.

QUARTER ACES DRAG-O-WAY

Pennsylvania’s finest 1/8 mile strip

Visit QuarterAcesDragway.com for race and track info.

PONTIAC PAVILLION

The Pontiac Pavilion tent - hosted by Pontiac Enthusiast Magazine - serves as the center of all things Pontiac this weekend. Under the tent, Pontiac enthusiasts can get up close to “Pontiacs” that they can still buy, including Milt Schornack’s Ultimate Bobcat GTO, Trans Am Depot’s Phoenix T/A and one of Lingenfelter Performance Engineer-ing's LPE-T/A conversions (all pictured below). See another LPE conversion in Building T. Pontiac legends including Jim Wangers and Milt Schornack will be on-hand to talk Pontiac with fans, as will the Editor and Publisher of Pontiac Enthusiast Magazine.

GM representatives are subject to change

Get behind the wheel of a new GM this weekend. TEST DRIVES of several new models are available on-site at the intersection of Diane Drive & Duke’s Blvd. (see map in centerfold).

There will be 15 2010 and 2011 Camaros, including the Synergy Green (pictured) and SS models.

GM test drive vehicles are subject to change.
CarlisleEvents.com / Camaro restoration book in Building G, will be personalizing copies of his new ager for Chevrolet Cars.

Regional Distribution Manager and Assistant Northeast Region Marketing Manager, John Fitzpatrick, was named Marketing Manager for the new Camaro shortly after the production announcement in the fall of 2006. In this assignment, he represents the voice of the consumer in product and advertising and was responsible for developing the launch plans for the 2010 Camaro.

Fitzpatrick has been with GM since 1987, in many roles. John has served as Zone Manager, District Sales Manager, Regional Distribution Manager and Assistant Northeast Region Marketing Manager for Chevrolet Cars.

Tony Huntimer, noted Camaro author, will be personalizing copies of his new Camaro restoration book in Building G, all weekend. He will also be hosting a live podcast Friday and Saturday, from the Legendary Super Car Showroom.

Bob McClurg, author of Yenko: The Man, The Machines, The Legend will be signing copies of his book and talking about the history of the legendary Yenko models - starting with the stinger Corvairs and finishing with turbocharged Camaros and Vegas. Yenko: The Man, The Machines, The Legend also tells the story of Don Yenko through the eyes of his family members, former employees and friends.

Cheryl Pilcher has been a die-hard Camaro enthusiast since she started working for GM in 1986. Cheryl is the top person when it comes to marrying engineering and product with marketing and communications for Chevrolet and the new Camaro. Cheryl, Scott and John will be around all weekend to meet with F-Body enthusiasts, ACA members and to host the GM Test Drives.

David Snyder will help celebrate the 50th anniversary of the Corvair and the 40th anniversary of the Monte Carlo with a display of his automotive art featuring products produced by GM. David will be displaying his portfolio of automotive art work in Building T. Stop by and see first-hand his artistic ability, as he is working on new paintings throughout the weekend. Dave is also available to personalize his new book The Automotive Art of David Snyder.

“Godfather of the GTO” Jim Wangers didn’t create the GTO, but he certainly was responsible for building the mystique that surrounds the legendary Pontiac. Also known as the “ad-man” for Pontiac, Wangers is credited with helping to establish the muscle car era of the ‘60s and as the key marketer behind the GTO and several other Pontiac specialty vehicles. One such program that fed the public’s hunger for excitement was the 1966 GeoTO Tiger Show. 44 years later, Jim Wangers continues to travel the country with the GeoTO Tiger, sharing Pontiac memories and watching the new GeoTO Tiger put on a show with fans both young and young at heart.

The "Fbest of the F-body hobby," is back to the GM Nationals to celebrate his passion and share his knowledge of the Camaros. The Pennsylvania native’s enthusiasm for Chevys and more specifically Camaros, is a passion that was passed down to him. Scott’s father and uncle were both Chevrolet dealers and his cousin still runs a dealership. He became Asst. Brand Manager – Camaro (and later Camaro Product Manager) on the Camaro/Corvette Performance Car Team and worked on the 4th gen F-car. Scott played a vital role in the birth of the fifth generation Camaro. Scott’s support of Camaro enthusiasts and clubs is legendary among people in the hobby.

Be at the stage on Saturday, to hear the winning ticket number.

Gardner Competition Engines, sponsored by Chevy Enthusiast Magazine, will give away a 383-cubic-inch Chevrolet Small Block V8 engine to one lucky winner. The pump-gas street motor displayed on an Easy-Run Engine Test Stand at the stage, recently dynoed at 462hp with 459 ft. lbs. of torque. Chevy Enthusiast Magazine, a new title from Amos Publishing, followed the build process in their June and July issues. With over thirty years experience, Gardner Competition Engines out of Cleveland, Ohio was an easy choice when it came to who was going to build this year’s giveaway engine. A father and son business (Jeff and Andy), Gardner Competition Engines offers a wide range of services for nearly any imaginable application, from stock rebuilds and repairs to complete custom race engines. Be sure to check out Jeff’s 64’ Chevelle with a 409 and custom headers at the GCE display on the Manufacturer’s Midway. No purchase is necessary but you must be present to win.

Be at the Carlisle Stage at 3 p.m. for your chance to drive home in a 1979 Monte Carlo. In the height of the muscle car days, Chevy introduced the first Monte Carlo as an upscale V8 that provided a balance of muscle & luxury. This third generation Monte is running a small-block Chevy with tons of engine and interior upgrades. No purchase is necessary but you must be present to win.

No purchase necessary. One entry per number. All entries are valid for the Giveaway Events on day of Giveaway. Winner must be present in front of the stage at the Carlisle Fairgrounds during the drawing to claim their prize. See Official Rules for details at www.carlisleenjoyevents.com or call 717-243-7855. Giveaway is open to all residents of the 50 United States and the District of Colombia, age 18 or older. Void outside the 50 United States, District of Colombia and where prohibited. With over thirty years experience, Gardner Competition Engines out of Cleveland, Ohio was an easy choice when it came to who was going to build this year’s giveaway engine. A father and son business (Jeff and Andy), Gardner Competition Engines offers a wide range of services for nearly any imaginable application, from stock rebuilds and repairs to complete custom race engines. Be sure to check out Jeff’s 64’ Chevelle with a 409 and custom headers at the GCE display on the Manufacturer’s Midway. No purchase is necessary but you must be present to win.

Be at the Carlisle Stage at 3 p.m. for your chance to drive home in a 1979 Monte Carlo. In the height of the muscle car days, Chevy introduced the first Monte Carlo as an upscale V8 that provided a balance of muscle & luxury. This third generation Monte is running a small-block Chevy with tons of engine and interior upgrades. No purchase is necessary but you must be present to win.

No purchase necessary. One entry per number. All entries are valid for the Giveaway Events on day of Giveaway. Winner must be present in front of the stage at the Carlisle Fairgrounds during the drawing to claim their prize. See Official Rules for details at www.carlisleenjoyevents.com or call 717-243-7855. Giveaway is open to all residents of the 50 United States and the District of Colombia, age 18 or older. Void outside the 50 United States, District of Colombia and where prohibited. The giveaway promotion is operated by Gardner Competition Engines, sponsored by Chevy Enthusiast Magazine, will give away a 383-cubic-inch Chevrolet Small Block V8 engine to one lucky winner. Greetings, Camaro Comrades, and welcome to Camaros at Carlisle!

In March of 2009, the very first 5th Generation Camaros “roared to life” at the GM Oshawa Build Centre—la a world anxious to get behind the wheel and experience ‘an American Thrill Ride.’

We had high hopes for the new Camaro—and based on the comments from many websites, we were hopeful that the Camaro would be well-received. Fast forward to the springtime of 2010—and we find that the Camaro has outsold Mustang each and every month since June of 2009. In fact, the Camaro outsold the Mustang and Challenger combined for over 9 of those months!

To say we’re delighted is an understatement! That said, we are never satisfied, and so as I write this note, there are thousands of people who continue to work on the new Camaro—making changes and improvements—many of which come directly from YOU, our valued enthusiast.

Meanwhile, a brief visit to just about any Camaro site such as www.moderncamaro.com or www.camaro5.com will show that our owners absolutely love their new Camaro.

Yes, the wait for a new Camaro has been long—but we hope that you’ll find it was worthwhile when you get behind the wheel of one. On behalf of all the men and women at General Motors and our affiliated suppliers and dealers, I thank you for the love, passion, and dedication you share for these great cars. We are truly blessed to have such a loyal following. Further, you keep the history of Camaro alive—and for that, we can’t thank you enough.

I do hope you’ll enjoy the weekend amongst fellow enthusiasts to celebrate these great automobiles that truly define a long proud tradition of performance and style.

A word about Safety: We believe the Camaro is one of the best performance cars the world has ever known. However, no one can completely engineer for ‘poor judgment.’ And thus I ask a few favors of you:

> Please—fasten your safety belts—every time—no excuses...and that goes for everyone in the car with you. It’s a habit to live by.
> If you are going to enjoy Alcoholic Beverages, please...don’t drink and drive. Curb your Camaro...and the organizers will get you transportation.
> We (that’s you and me......) know these cars are fast. But please don’t do burn-outs or street-race.... There is a place and time for this activity—and that is at the track. Don’t put the event— or innocent lives—at risk.

We’re glad you’re here! And if there is anything any of us can do to make your stay more enjoyable, please ask any of the organizers!

Sincerely,
Scott Settlemire, General Motors Company

FALLEN HEROES CAMARO
Kelly Fromm went to work almost immediately on her Victory Red SS, turning it into an award-winning custom show car. The first version of Kelly's Camaro, named SheDevil, has taken 1st Place in four out five shows it competed in. In December of 2009, Kelly was driving SheDevil down Sgt. Joseph Blvd. (named in memory of a friend of Kelly's who gave his life for our country), serving in the 82nd Airborne in Iraq and was immediately inspired to take SheDevil in a completely different direction. The 2010 Fallen Heroes Camaro, found this weekend in Building T, is a moving and beautiful car with images of American and military spirit, ranging from the bald eagle on the rear to the 82nd Airborne emblem on the roof.

PAPA JOHN SCHNATTER’S 1971 Z28 CAMARO
Papa John Schnatter’s original 1971 Z28 Camaro will be on display in Building T all weekend. In August of last year, after years of searching, Schnatter was finally reunited with his Camaro. Special thanks to the local Papa John’s franchises for making this display a reality.

LINGENFELTER 2010 TA CONCEPT CAR
The Lingenfelter TA concept car was built from a 2010 Camaro SS and is powered by a LS based 455 CID engine that produces 655 horsepower and 610 lbs ft of torque. Lingenfelter’s custom TA was built around the classic ‘71 Trans Am interior and exterior theme. The TA features a classic shaker hood, new front fascia, revised front and rear quarter panels, functional front fender vents and rear spoiler. To finish off the exterior the LTA has new lighting front and rear, badging, custom honeycomb 20” wheels, Nitto tires and a Corsa exhaust. See the white LTA in the Pontiac Pavilion and the Blue LTA in Building T.

TJIN EDITION ROADSHOW 2010 CAMARO SS
Built for General Motors for the 2009 SEMA show, the Tjin Edition RoadShow Camaro won the GM Design Award for Best GM vehicle at the 2009 SEMA Show. The Tjin Edition RoadShow Chevy Camaro, in Building T this weekend, will also serve as the feature car on the 2010 Tjin Edition RoadShow tour. More than thirty top companies made parts for this Camaro, breaking the mold of modern muscle customization.

The first version of Kelly’s Camaro, named SheDevil, has taken 1st Place in four out five shows it competed in. In December of 2009, Kelly was driving SheDevil down Sgt. Joseph Blvd. (named in memory of a friend of Kelly’s who gave his life for our country), serving in the 82nd Airborne in Iraq and was immediately inspired to take SheDevil in a completely different direction. The 2010 Fallen Heroes Camaro, found this weekend in Building T, is a moving and beautiful car with images of American and military spirit, ranging from the bald eagle on the rear to the 82nd Airborne emblem on the roof.

PAPA JOHN SCHNATTER’S 1971 Z28 CAMARO
Papa John Schnatter’s original 1971 Z28 Camaro will be on display in Building T all weekend. In August of last year, after years of searching, Schnatter was finally reunited with his Camaro. Special thanks to the local Papa John’s franchises for making this display a reality.

LINGENFELTER 2010 TA CONCEPT CAR
The Lingenfelter TA concept car was built from a 2010 Camaro SS and is powered by a LS based 455 CID engine that produces 655 horsepower and 610 lbs ft of torque. Lingenfelter’s custom TA was built around the classic ‘71 Trans Am interior and exterior theme. The TA features a classic shaker hood, new front fascia, revised front and rear quarter panels, functional front fender vents and rear spoiler. To finish off the exterior the LTA has new lighting front and rear, badging, custom honeycomb 20” wheels, Nitto tires and a Corsa exhaust. See the white LTA in the Pontiac Pavilion and the Blue LTA in Building T.

TJIN EDITION ROADSHOW 2010 CAMARO SS
Built for General Motors for the 2009 SEMA show, the Tjin Edition RoadShow Camaro won the GM Design Award for Best GM vehicle at the 2009 SEMA Show. The Tjin Edition RoadShow Chevy Camaro, in Building T this weekend, will also serve as the feature car on the 2010 Tjin Edition RoadShow tour. More than thirty top companies made parts for this Camaro, breaking the mold of modern muscle customization.

Chip Miller, co-founder of Carlisle Events died in March 2004 of complications related to Amyloidosis. Chip may have been diagnosed earlier and still be with us today had awareness of the disease been greater. Amyloidosis is a disease caused by the abnormal accumulation of protein molecules in body tissues. Signs and symptoms depend on the organs affected. The wide range of signs and symptoms makes it difficult to diagnose, and there may even be no symptoms. Some signs and symptoms may include:

- Swelling of ankles and legs
- Shortness of breath
- Numbness/tingling in hands/feet
- Abnormal protein in urine
- Severe fatigue
- Enlarged tongue
- Irregular heartbeat
- Difficulty swallowing
- Skin changes
- Diarrhea
- Weakness

Sunscreen for your second skin.

People Who Love Cars Love Meguiar’s™

Vinyl, rubber and plastic surfaces need UV protection, just like your skin. That’s just one of the reasons why Meguiar’s® luxuriously formulated Natural Shine Protectant for low gloss surfaces and Supreme Shine® Protectant for high gloss surfaces offer the added advantages of Scotchgard® protector.

For free personal care advice, go to Meguiar.com or call 800 547-5700 Mon-Sat, 8:00 am to 6:00 pm Pacific Time.
