

Standard of Excellence Rules and Regulations for Chevrolet Nationals

Thank you for your interest in the Standard of Excellence Judging (SOEJ) field at the Carlisle Chevrolet Nationals. Please be aware that there are special rules that apply to this section of the show field, which are listed below:

1. The SOEJ field is reserved specifically for your car. There will be a total of 50 cars in the SOEJ area of the show. You may not park your car anywhere else except this specific class.
2. All cars for SOEJ must be in place by 10:00 AM on Saturday, for a meeting with judges. Judges will not walk the field to find your car if you park in the wrong area.
3. Cars that are not parked in the SOEJ area will not be judged by the team. Parking in any other area besides the reserved area for SOEJ may result in no points being awarded.
4. There will be a tent provided for cars to stage under and do detailing prior to judging. Cars are NOT allowed to permanently park there, they may use the tent to do detailing/get judged only and must then return to their regular spaces in the judging area.
5. Cars in SOEJ are eligible for Celebrity Choice awards, but not general participant balloting on our show field.
6. All cars are eligible for the unique "Top 15" awards, where the top 15 cars are given special trophies. This also includes the Standard of Excellence: Best in Show award, which is offered to the highest-scoring vehicle.
