# Celebrating 50 Years of Carlisle Events at the Carlisle Truck Nationals 2024

The first Carlisle Truck Nationals took place June 21-23, 1991. It was held in June until 2004 when it moved to August. From the beginning this event has welcomed all brands of lifted, lowered, classic, antique, modern, mini, two- or four-wheel drive trucks, Jeeps, big rigs, and custom vans. A bright red 1991 Chevrolet S-10 with a state-of-the-art sound system was given away at the 1991 truck show. From car-crushing monster truck shows and rides to high-flying motorcycle stunt jumps, big rigs, cool custom vans, antique fire trucks, and more, this is a high-energy event that is fun for all ages.

### Green Showfield

Parking for non-judged trucks in the Green Showfield consists of three areas:

- Club Parking (signs indicate the reserved areas)
- Low Show (for lowered trucks)
- Non-Judged Parking (for any registered showfield truck)

### Club Awards

41 clubs are represented this year and have a club tent. Some host their own "show within a show" and other activities for club members. The five clubs with the most members registered for the Showfield receive a Hemmings Club Challenge Award. The Coolest Club award is chosen by our staff.

### NPD Judged Showfield

**SPONSORED BY NATIONAL PARTS DEPOT**

Trucks registered for the judged competition park by class in the NPD Judged Showfield (Red Showfield). Judging standards can be found on our app.

### Winners List & Awards

Judged Showfield winners will be posted

on the Winners' List outside of Guest Services/Grandstand at 9 AM Sunday. After checking the list, winners can pick up their award in Guest Services. If you can't be here to pick up your award you can make shipping arrangements online at store. [carlisleevents.com](http://carlisleevents.com).

### Glow Show

When the sun goes down Saturday night the Big Rig area lights up! You don't see this many impressive light displays on the roadways.

### Fleet Awards

We are awarding one Big Rig fleet the Coolest Convoy award. The judging criteria is simple; we pick the fleet that seems to be having the best time. The winning fleet will receive a banner. The Fleet Challenge is based on number of trucks registered. The fleet with the most registered Big Rigs will receive a banner.

### Award Winners

Participants of the Big Rig Judged Competition should be at the Pavilion Sunday morning at 10 AM for the announcement of winners and distribution of awards. All winners are invited to participate in the Big Rig Winners Parade.

### Kids 12 & Under

Kids 12 and under get free admission to all of our events and a free goody bag too! Kids can also sign up for the cash grab contest and to win a radio-controlled vehicle. Visit Guest Services. See schedule for Bingo time.

# XDP FUEL CONTAMINATION KITS

Repair the fuel system on your vehicle with an XDP Fuel Contamination Kit. A failed high-pressure injection pump or a bad tank of fuel can destroy your entire fuel system. Fuel contamination can come from many other sources as well, such as an accidental fill of gasoline or DEF, water contamination, or fuel that has been improperly stored. In these instances, a simple fuel system flush is not enough to remove the contaminants. In many applications it's often necessary to replace all the components to ensure that you're getting a complete repair.

Depending on application, XDP Fuel Contamination Kits include a CP3 or CP4 pump (unless otherwise noted) and a fuel injector set that is remanufactured using the most recent OE specifications. In addition, this kit contains the necessary components to replace your entire fuel system, such as a new fuel rail or rails, fuel injector lines, fuel injector connector tubes (where applicable), and necessary gaskets for installation (components depend on application).
