

Attention Club President:

You may select one active club member to represent your club as a
2023 Corvettes at Carlisle Club Champion

What does this mean and why should you participate?

- This is a great opportunity to highlight your club and your members!
- Your club's 2023 Club Champion will be highlighted on Corvettes at Carlisle social media outlets.
- Your club's 2023 Club Champion will be included in the Corvettes at Carlisle Official Event Guide.
- Your club's 2023 Club Champion may participate in a parade on the event grounds on Saturday.
- Your club's 2023 Club Champion will receive a memorable keepsake from Corvettes at Carlisle.

Eligibility Requirements

- Your club must have a minimum of 5 cars registered for the 2023 Fun Field, Reserved Fun Field or Chip's Circle by July 10, 2023.
- Clubs must be a Carlisle Officially Recognized Club. If yours is not, register online at: <https://www.carlisleevents.com/the-showfield/club-relations/register-a-club>
- Your chosen club member must be registered for Corvettes at Carlisle as a 2023 Fun Field, Reserved Fun Field or Chip's Circle Participant.
- Only one club member may represent your club.

Instructions

- Club President must submit this selection form by July 10, 2023. No exceptions. Late forms will not be included in this new recognition program.

2023 Theme: American Patriotism

The Club President should choose a member of their club that represents a true American Patriot. This could be seen on their Corvette colors, artwork, designs, decals, flags or simply because they are a member of the United States Armed Forces, past or present, and they deserve to be recognized. We are looking for a Club Champion that represents America's Sportscar!
