Collector Car Auction

Carlisle Auctions has hundreds of classics crossing the auction block Thursday and Friday. Details on pages 12-15.

Manufacturers Midway & Automotive Flea Market

Visit our partners on the manufacturers midway and shop the huge flea market for anything and everything automotive! If it's automotive or automotive-related, you'll find it at Spring Carlisle. While vendor merchandise is required to be 80% automotive, that leaves a portion of our 82 acres for you to find rare and unique collectibles. Vendors are listed alphabetically and by specialty in this event guide. You can also find vendors using the free Carlisle Events app.

Car Corral

From collectible classics to daily drivers, you can find all conditions of vehicles for sale in the car corral. Title transfer services are available in the notary office in the pavilion.

ARMO Hot Products Showcase

ARMO is the SEMA council whose mission is to preserve and promote the automotive restoration industry and hobby. This display features the "hottest" and most sought-after restoration products on the market. Be sure to check it out in the tent in front of the stage.

AACA Display

The Antique Automobile Club of America (AACA) has a display at the stage to promote their club and events and recruit new members.

Women's Oasis

Our Women's Oasis vendors are located in Building T during this event. Visit Avon (BT 11), Goods Arts and Crafts (BT 14), Lilla Rose (BT 10), Scentsy (BT 12) and Uglie Acres (BT 9).

EBAYMOTORS PRESENTING SPONSOR OF SPRING CARLISLE

eBay Motors (eBay.com/motors) is one of the world's largest marketplace's for auto parts. Our unparalleled selection means that eBay Motors will always have the exact item that fits your ride—anything and everything you need to make your whip look cooler, run faster, or express your unique personality.

Our vast selection of parts and accessories for cars and trucks is like none other. But you'll also find tens of thousands of vehicles for sale. eBay's shopping tools allow you to drill down fast to your dream machine, making the browsing and buying experience streamlined and easier than ever. Our vehicle inventory includes rare classics, amazing barn finds, unique builder creations, and hard-working everyday commuters and trucks.

And you can buy with confidence, thanks to the eBay Motors Vehicle Purchase Protection (VPP) plan. It covers up to \$100,000 for vehicle non-delivery, missing title, or major undisclosed defects. Parts purchased on eBay are similarly covered by the eBay Money Back Guarantee. That's buying with peace of mind.

More than 80 percent of all auto items sold today on eBay are fixed-priced—and sold by small and medium-sized businesses. Best of all, our sellers are just as passionate about cars as you are.

eBay Motors loves the Spring Carlisle Collector Car Flea Market & Corral. Walking the grounds

and hearing your stories about your car is what makes this place so special. It's that passion for everything on wheels that keeps bringing us up back to Carlisle. See you on the fairgrounds and back out on the twisties.

Today, RockAuto.com ships thousands of parts, from hundreds of manufacturers, to millions of customers all over the world. From fluids and filters for your daily driver, to brakes and ball joints for your classic, to traditionally "dealer only" parts like OE style wheels and switches, RockAuto.com has All The Parts Your Car Will Ever Need at reliably low prices.

Visit RockAuto.com to order auto parts online 24 hours a day, 7 days a week and have them conveniently delivered to your door.

REBECCA SPAHR

Four Staffers Have Helped You for 20+ Years

When you come to a car show at Carlisle you're focused on fun, friends, cars and shopping. What often goes unnoticed is the effort that our crew puts in to make the event as seamless as possible.

We frequently say that you're a part of the Carlisle family while here, but did you know that the family you are part of...we've been together for years! More than half of our team has an average tenure of 16 years, meaning there might just be something about the car shows and hanging out with you that keeps us all coming back.

With that in mind, we'd like to spotlight our four leaders in the club house. Barb Loy, Scott Berger, Ed Scholly and Rebecca Spahr have come of age here and we'd like to share a little bit about them and thank them.

BARB LOY (36th year): Barb started in January of 1985 and has been a key part of your experience. She's taken your calls to help book vending spaces, car corral spaces, Showfield spaces and has answered just about every question that can be asked. She plays a role in mailing out your stickers, processing payments and is also THE person taking calls at the registration building during show hours. We even named a road after her, Barbie Blvd., in the North Field! Barb is a pet lover and has been married to her most enjoyable pet of all, her husband Bob, for over 50 years.

SCOTT BERGER (23rd year): Scott started with Carlisle Events in 1997 and is responsible for all aspects of information technology. This includes hardware, networking, programming and database management. He is also involved with our in-house video production of events and is the lead producer for Carlisle Auctions broadcasts. Scott is married to Cathy and they have two kids, Maya and Aidan.

ED SCHOLLY (21st year): Ed is a busy man at Carlisle, currently navigating the roles of Business and Event Development Manager and Carlisle Truck Nationals Event Manager. He has played a leading role in developing new partners

and building new events. He is currently building our Carlisle Fairgrounds rental program. Ed's show week responsibilities start early and include hanging sponsor banners on the fence line, operating forklifts and mapping out the Midway. Once the gates open, he's helping clients, managing activities and assisting where needed. Ed and his wife Melissa have two daughters, Stella and Cassandra.

REBECCA SPAHR (21st year): Rebecca started a little more than a month after Ed as the sponsorship coordinator, then moved to the marketing department after a few years where she got to use her graphic design skills and is now the print production manager. If it's printed, she's probably had a hand in it, especially this event guide. Rebecca manned guest services for many years, providing information and answers to anyone who asked. Outside of work, Rebecca likes to spend time with family and friends, play golf, go camping and travel with her daughter, Laci.

To Barb, Scott, Ed and Rebecca, we say thank you! Thanks for all that you do that the guests know about and for all the other things you do that no one sees on a day-to-day basis. Just like the inner workings of an engine, it takes many pieces and parts to make Carlisle Events go. We are so grateful to have them as very important pieces of our well-oiled machine.

We also offer equally heartfelt thanks to the following staff who have completed more than a decade of service.

Harold Brandt – 20th year

Ed Buczeskie – 15th year

Ron Kuhn – 15th year

John Nickel – 15th year

Buzz Frey – 12th year

Scott Amig – 11th year

Mike Garland – 11th year

Jodi Morrison – 11th year

Finally, when you come back for Fall Carlisle in late September, be sure to pick up the event guide, as we'll spotlight our amazing part-time staff that have been with us for more than 10 years...and there are many!
