## THANK YOU FOR COMING!

2022 is the 40th anniversary of Corvettes at Carlisle! We are grateful to everyone who comes together each year to ensure the success of this event: Team Chevrolet, sponsors, vendors, Corvette owners, concessionaires, event staff, family, friends and fellow enthusiasts. We sincerely thank you!

As a reminder, we love hearing from you, so please fill out our online survey linked on the event details page of our website. Thank you for choosing to spend your time with us!

## HELPFUL INFORMATION & POLICIES

### FREE APP

- Free for iPhone and Android – "Carlisle Events"
- Use it to find vendors and much more

### EVENT MAP

Located in the centerfold, it shows the entire facility, showfield classes and vending spaces.

### EVENT HIGHLIGHTS & SCHEDULE

Learn about everything that's happening during the event on pages 10-11. Schedule is on pages 18-19.

### PARTS HAULING & TAXI SERVICE

To request parts hauling assistance or a ride within the fairgrounds, call 717-960-6429. Donations appreciated.

### TEMPORARY ENTRY PASS

One-hour passes to drive on-grounds for merchandise pick-up are available at Gate 3 before 8 a.m. and after 5 p.m. A \$50 deposit and driver's license are held until you exit.

### HAND CART RENTAL

Hand carts are available to rent at Guest Services. Donations appreciated. Your driver's license is held until the cart is returned.

### INFORMATION

Visit Guest Services when you need assistance, an ATM, hand cart rental, local visitor's guides and more.

### ALCOHOL

No glass bottles. Unruly persons will be removed from the facility.

### DRONES & REMOTE-CONTROLS

Remotely controlled aircraft and ground devices are prohibited on and above the facility without advance approval from Carlisle Events Security.

### PETS

**Please don't bring your pets.** However, if you must:

- Pavement can burn paws
- Operators of moving vehicles may not see your pet
- Pets must be on a leash
- You must provide food, water and shade
- You must pick up and dispose of waste
- Pets are not permitted in the Food Court
- Don't leave your pet in a vehicle
- Pets must be up-to-date on vaccines and have a current license
- Your pet must be under your control and you are fully responsible for its actions. Pet owners may be asked to leave without refund.

The years continue to fly by, and this year is certainly no exception! We appreciate you spending the weekend at Corvettes at Carlisle for our 40th Anniversary. The Carlisle Events team and I can't thank you enough for choosing to spend your time with us!

As many of you know, Lance's Corner is a personalized note from yours truly. My dad, Chip Miller, started this tradition many years ago and I decided to follow suit. I enjoy sharing my family life and what we've been up to for the past year. So here goes...

My daughter Ella has kept Michele and I busy as she continues to enjoy lacrosse and track. She managed to pick up a new sport that she seems to enjoy even more so... volleyball. It's fun to watch children evolve and Ella continues to try new things. She has a great bunch of friends and certainly enjoys school much more than her father did! She still LOVES horseback riding. Unfortunately, this year her horse, Ruby, had a neurological disorder and the doctor suggested we put her down. This was a tough time for the entire family, but one that was right for the horse. We now rent a horse and Ella hasn't missed a beat.

Ella turned 13 this year; everyone says how challenging these years can be, but (knock on wood) we've been lucky! Michele and I truly enjoy watching Ella play her sports. We try our best to involve ourselves in everything she does to the best of our ability between coaching and driving all over the place. Jodi Morrison helps me on the work side and provides me more time to enjoy with my family - forever grateful!

Somehow, I managed to turn 50 this year... look at me go! I learned early that it's important to enjoy every minute life has to offer. I do just that! I enjoy fishing in my free time and living by the beach allows me to surf when the waves pick up too.

I've made some pretty drastic changes to our collection of cars this year. Ella graduates from high school in five years which will fly by quickly, and we'd like to buy a home to enjoy our winters in Florida. The first step was to sell a few cars. One was our beloved 1960 Cunningham Corvette. Obviously, it wasn't an easy decision, but I felt the time was right. My good friend Irwin Kroiz

LANCE, ELLA & MICHELE MILLER

mentioned he was interested in the car. After a year or so, we came to an agreement that made us both happy, and the car couldn't have found a better home! Irwin is a wonderful person and caretaker for every vehicle he owns. But enough about myself and my family...

During this event please be sure to visit our vendor area. Not only are there plenty

of products for your Corvettes available, but the vendor base is extremely knowledgeable and happy to share information with you. The vendors are the heartbeat of Carlisle Events, and we hope you make time to visit and support them.

The NCRS Gallery always has the very best of the best on display, this year showcases just that! Tim Raisner and Frank Stech help organize this special display. Be sure to stop by and check it out. The 50th Anniversary display of 1972 Corvettes will be one you can't miss, special thanks to Joe Clemente. Pratt and Miller race cars will be a part of Chip's Choice this year, a challenging display to put together as the cars are now spread out all over the world. Callaway Cars has a special 35th Anniversary display this year; this is a sight everyone will need to see! These and all of the amazing free seminars available will be action-packed, so be sure to check out the complete schedule for the weekend. I'd also like to throw out a special thanks to eBay Motors for their partnership!

Our main objective for Corvettes at Carlisle is to ensure everyone that drives through our gates has a wonderful time. It's our job to make sure each of you who attend want to come back, and that you'll pass along your experiences to your friends and family. The Corvette hobby is strong and the new Corvette C8 Z06 is only making it stronger. I'm fortunate to have a job that is also my hobby. I love all cars, but most of all the people make the hobby what it truly is. Get out there, walk around, talk to your neighbors, speak to the vendors, and enjoy the weekend!

Again, we cannot thank you enough for being a part of Corvettes at Carlisle.

Life is good,

*Lance Miller*

2012: Corvettes at Carlisle Fun Field

## CORVETTES at CARLISLE 40 CELEBRATING 40 YEARS • 1982-2022

PRESENTED BY **ebay**motors

It's hard to believe that 2022 marks the 40th Anniversary of Corvettes at Carlisle. We know that everything we are, we are because of YOU! Corvettes at Carlisle attendees are some of the most passionate and loyal enthusiasts around and we have been humbled by your support and participation over the years. You have stood with us through tornadoes, hurricanes and even a worldwide pandemic! Together, we have watched the C4, C5, C6, C7 and the C8 make their debut. Along the way we have made so many incredible new friends. We have also lost some. We remember them loudly every year at the stage on Saturday during the engine rev. We have made our Quests a reality and left the grounds with Corvettes we didn't even know we needed!

There is a lot to say about the last 40 years. This event guide will never be large enough to hold all the memories we have shared. The road has been long and it has thrown us twists and

turns, but one thing is certain: through it all we stand strong and proud as the largest all-Corvette show in the world! Cheers to 40 Years!

**Spend some time with Lance Miller and Bill Miller, Jr. Saturday at 12:30 p.m. at the stage as they talk about what has changed in the last 40 years and where we go from here.** They, along with a few special guests, will share their favorite stories throughout the last 40 years! Q&A as time permits.

RON FELLOWS PERFORMANCE DRIVING SCHOOL AT SPRING MOUNTAIN MOTOR RESORT IN NEVADA

**WIN A TRIP TO THE RON FELLOWS PERFORMANCE DRIVING SCHOOL AT SPRING MOUNTAIN MOTOR RESORT!**

**— MUST REGISTER ONLINE BEFORE 2 PM SATURDAY\* —**  
<https://www.carlisleevents.com/contests/2022-need-for-speed-giveaway>

**FREE TO ENTER!  
SCAN QR CODE:**

What could be better than a relaxing three-day stay at a resort in western Nevada? How about taking a Corvette onto a race course with instruction by professional drivers? You can do all of that if you are the lucky winner of this giveaway!

One person will be awarded a \$500 Visa gift card, spend three nights at the Spring Mountain Motor Resort and Country Club in Pahrump, Nevada and have access to the "2-Day Intro to Open-Lapping/Level 1" at the Ron Fellows Performance Driving School.

## ABOUT THE DRIVING SCHOOL

The Intro to Open-Lapping program is designed for all experience levels. By focusing less on Corvette electronics and more on universal car control and cornering techniques, you'll experience even more track time and an introduction to open-lapping. With open-lapping, you'll learn how to safely and properly pass other drivers without being guided by your instructor, ultimately preparing you for your first track day! This course provides you with performance driving skills that you can use in any vehicle. Highlights: intro to open-lapping, right-seat instruction, intro to Cosworth Toolbox with PDR use and review, student lead/follow track sessions, instructor lead/follow track sessions, competitive autocross, and performance braking, shifting and serpentine exercises. Total event giveaway value is approximately \$4,595.00.

**\*VENDORS, FUN FIELD PARTICIPANTS AND NCCC PARTICIPANTS ARE AUTOMATICALLY ENTERED TO WIN**

## ABOUT CHIP MILLER

CHIP MILLER

Chip Miller was known worldwide for his resilient positive attitude, his passion for Corvettes, his tremendous personal Corvette collection and for creating the grandest Corvette event anywhere on the planet — Corvettes at Carlisle. In December 2003, Chip was diagnosed with a little-known disease called Amyloidosis. Sadly, due to complications from the Amyloidosis, the world lost an incredibly special human being on March 25, 2004. Had Chip and his doctors been aware of the symptoms of the disease when they first presented, this legend might still be with us today.

## OUR MISSION

The mission of the Chip Miller Amyloidosis Foundation (CMAF) is to empower people with the knowledge and understanding of Amyloidosis for earlier detection, ensuring a better quality of life for those afflicted with the disease and to help science find the cures.

## WAYS TO SUPPORT CMAF

Your support of CMAF is greatly appreciated. Some ways you can contribute during Corvettes at Carlisle are listed below. Please visit our website, [chipmiller.org](http://chipmiller.org), for additional fundraising events that take place throughout the year.

- **CORVETTE SWEEPSTAKES & RAFFLE** – See next page.
- **INSTANT CASH TICKETS** – Try your luck at winning cash by buying instant cash tickets at the CMAF Tent.
- **CHIP'S CIRCLE** – Join Chip's Circle at next year's Corvettes at Carlisle. It includes reserved parking on the Fun Field, special goody bag, awards and several other perks. Call Jodi at 717-243-7855 x113 for availability.
- **CMAF SWAG** – Buy some merchandise at the CMAF Tent. Choose from quality shirts, polos, jackets, pins, and more.
- **BENEFIT DINNER** – This annual fundraising event is held on Friday evening during Corvettes at Carlisle at the Carlisle Expo Center. Enjoy a buffet-style dinner, the opportunity to mingle with Corvette dignitaries, guest speakers, a silent auction, door prize and, of course, Corvettes!

Chip's Choice is an annual display featured in Building T. Named after our late company co-founder and National Corvette Hall of Famer Chip Miller, this display embodies the best-of-the-best in the Corvette hobby. A different theme is chosen each year and the cars are hand-selected by Lance Miller.

2022 Chip's Choice features Pratt & Miller/factory Corvette race cars. This incredible collection features some of the most winning Corvettes over the past racing seasons driven by names like Earnhardt, Earnhardt Jr., Magnussen, Garcia, Pilgrim... and you can see them all in one place and all at once! Embrace the history of these machines by watching a compilation of their races and hear from newly-retired Pit Crew Leader, Dan Binks as he gives you the inside story on these amazing pieces of Corvette Racing history.

**CHIP'S CHOICE #412: C5.R #001**  
BRAD BRISCOE

Built in November 1998 just months before its racing debut at the 1999 24 Hours of Daytona, C5-R-001 was the culmination of years of work by General Motors, Chevrolet and Pratt & Miller to develop a competitive racecar based on the then-new C5 Corvette, which launched in 1997. Two C5-Rs (chassis 001 and 002) were built ahead of Daytona, and this saw success right out of the gate with chassis 001 scoring a second-place finish wearing the No. 3 and a black-and-silver GM Goodwrench livery. Corvette Racing participated in five races in the 1999 season, and chassis 001's worst finish was fifth place at Road Atlanta.

The inaugural season for the C5-R started with a 6.0-liter V8 under the hood, but by the end of the season, a more powerful 7.0-liter V8 was in use; for the 2000 racing season, the C5-R livery was changed to Millennium Yellow over white with an all-black rear end. In this livery wearing the No. 63, chassis 001 achieved its biggest accomplishment by racing at the 24 Hours of Le Mans in June 2000 – this marked the first Le Mans race for a factory-backed Corvette team. Le Mans also proved to be chassis 001's final race as this car was retired and sold to a private auto museum.

**CHIP'S CHOICE #413: C5.R #004**  
LANCE MILLER

C5-R chassis number 004, built in 2000 at the Pratt & Miller shops. It's first race of 2001 put 004 in the national spotlight when it was driven in the Rolex 24 at Daytona by Andy Pilgrim, Kelly Collins and legendary NASCAR star Dale Earnhardt and his son, Dale Jr. By the end of 2002, the C5-R chassis 004 had racked up two wins, seven second-place finishes and more than 25,000 miles of racing miles!

**CHIP'S CHOICE #414: C5.R #008 (#50)**  
**CHIP'S CHOICE #415: C5.R #009 (#53)**  
GEORGE KRASS

2003 was the 50th anniversary of Corvette, and the focus for the season was Le Mans and a "three-peat" victory. Two brand-new chassis were built (C5R-008 & 009) specifically for the Le Mans race. However, there was disquiet within the team. It was announced that the cars would be blue (mimicking the new 2004 blue/red/white 24 Hours of Le Mans Commemorative Edition Corvette paint scheme) and run with the number 50 (to celebrate 50 years of Corvette) and 53 (the first year of Corvette) rather than the traditional 63 and 64 numbers the cars used at Le Mans previously. Sadly for Corvette Racing, the win did not materialize and they had to be satisfied with second and third in the big race.

**CHIP'S CHOICE #416: C6.R GT2 #005**  
PIERCE MARSHALL

C6.R GT2 Chassis 005. The car was the 2013 ALMS winning car, driven by Jan Magnussen and Antonio Garcia for the full season, and joined by Jordan Taylor for Sebring, Le Mans and Petit Le Mans at Road Atlanta. They won 3 races in 2013 with a total of 5 podiums that year. The car was also part of the 2012 Manufactures Championship Team.

**CHIP'S CHOICE #417: C7.R #004**  
PIERCE MARSHALL

C7.R #004, which won both the 2016 24 Hours of Daytona and the 12 Hours of Sebring. It was driven by Oliver Gavin and Tommy Milner for the season, and joined by Marcel Fassler for Daytona and Sebring. It also won at Lime Rock (Corvette Racing's 100th win) and Road America that year, with a total of 7 podium finishes. As a consequence it did win the 2016 IMSA GT Le Mans Championship.

2021 CORVETTES AT CARLISLE FUN FIELD

## FUN FIELD

- Chip Miller founded Corvettes at Carlisle on the premise that everyone is invited to come here and have fun – not take themselves or their Corvettes too seriously.
- There are some areas reserved for club parking until 9:30 a.m., but after that, the Fun Field is open parking for registered Corvettes.

## FREE REGISTRATION FOR CARLISLE BLUE CORVETTES

- All 2012 Carlisle Blue Corvettes get free Fun Field registration! If you own one, be sure to contact Jodi at [JodiM@CarlisleEvents.com](mailto:JodiM@CarlisleEvents.com) prior to the event.
- There is also a reserved parking area on the Fun Field for all Carlisle Blues, see map in centerfold.

## RESERVED FUN FIELD

- A few hundred spaces are Reserved Fun Field parking. These spaces have signs indicating who the spaces are reserved for.
- Participants receive unique dash plaques and vehicle stickers and the opportunity to be considered for Chip's Champions Awards.

## NCCC CONCOURS

### HOSTED BY THE YORK COUNTY CORVETTE CLUB

- Compete against or take a look at the best Corvettes in the world on the National Council of Corvette Clubs' (NCCC) Concours Judged Showfield (seven sanctions event).
- Cash prizes are provided in six categories.
- The competition is limited to 175 Corvettes.
- You may change your registration from Fun Field to NCCC Concours during the event with the NCCC staff.

## CELEBRITY CHOICE JUDGING

- Friday 1 - 4 p.m. and Saturday 8 a.m. - 2 p.m. all Corvettes on the Fun Field (including Chip's Circle, Reserved Fun Field and NCCC Judged Showfield) will be considered by our Celebrity Judges for a Celebrity Choice award.
- If your Corvette is chosen, the Celebrity Judge will leave a paper on your windshield with award pick-up instructions.

## AWARDS

- If you are a winner, pick up your award at Guest Services. To be in the Winners Parade, check in at Guest Services by 3 p.m. Saturday. Parade is at 4:30 p.m.
- Winners of Celebrity Choice awards may drive to the front of the Grandstand in a parade-like format beginning at 4:30 p.m. (staging starts at 3:30 p.m. - drive to Gate 5 then down the hill).
- If winners are unable to pick up their awards during the event, they may visit [store.carlisleevents.com](http://store.carlisleevents.com) and pay to have it shipped. We will hold all awards for one year.

## CLUB CHALLENGE & COOLEST CLUB

- Each year clubs compete to see which has the most member vehicles in attendance and awards are presented to the top three.
- There is also an award presented to the club with the coolest hangout.

# EVENT HIGHLIGHTS

PRESENTED BY **ebaymotors**

## TEAM CHEVROLET

Visit Team Chevrolet and their C8s on the Midway. See schedule for autograph, tech talks, and Corvette walkaround times. Special thanks to Team Chevrolet for joining us:

**Mike Klakulak** - Vehicle System Engineer/Interior  
**Matt Gratowski** - Assistant Program Engineering Manager  
**Katelyn Crane** - Chassis Group Leader  
**Jeff Shevetz** - Interior Quality Engineer  
**Ricky Croghan** - Paint Shift Leader  
**Ben Haller Material** - Launch Coordinator  
**Shelly Wingate** - Central Engineering Business Manager

## SHOPPING: PARTS & MORE

Finding restoration parts, new products, and collectibles should be a breeze on the Manufacturers Midway and in our Automotive Flea Market. The locations of Midway partners and vendors are in the Vendor Lists, starting on page 54. It's even easier to find vendors using our FREE Carlisle Events app.

## CORVETTES FOR SALE

From collectible classics to daily drivers, you can find all conditions of Corvettes for sale in the Car Corral. Title transfer services are available at the notary office in the pavilion. If you need to ship a vehicle, ask for a list of transportation companies at Guest Services. ATMs are in Guest Services and Building T.

## SPECIAL GUESTS

Dan Bink's career spans more than 40 years, including leading the Corvette Racing team from 2002 until his 2020 retirement.

- Autographs: Friday & Saturday 10 a.m.
- Q&A: Friday 2 p.m. Hospitality Tent and Saturday 3 p.m. Building R - west
- Pratt/Miller Corvette Walkaround: Hear Dan's first-hand stories about the race cars on Saturday 1:30 p.m. Building T (south wall with Chip's Choice Display)

Look for Ken Lingenfelter and Reeves Callaway to make an appearance too!

## FEATURED CORVETTE DISPLAYS

- **CHIP'S CHOICE** - See this Pratt & Miller/factory Corvette race cars display in Building T. Details on pages 22-23.
- **CALLAWAY 35TH ANNIV.** - Located in a tent on Rows IL & IM, see page 40-42.
- **50TH ANNIV.** - 1972 Corvettes are under a tent on Row IK & IL, see page 47.
- **NCRS GALLERY XXI** - Located in a tent beside Building R, see page 49.

## FREE SEMINARS & DIAGNOSTICS

Free expert seminars and drive through diagnostics are offered throughout the event. Read about them on page 30.

## PEOPLE'S CHOICE BEST IN SHOW CONTEST DRIVEN BY AEROLARRI WHEELS

Since May 1, 2022, registered Fun Field participants have been able to apply to be part of this contest. Everyone is invited to cast their vote at Guest Services. The winner will be announced Friday at 4 p.m. and on Saturday all winners throughout the weekend will be lined up at the stage.

## ENGINE REV TRIBUTE

On Saturday at noon, we invite everyone to start their Corvettes and rev their engines for 15 seconds in tribute to Chip Miller (co-founder of Carlisle Events) and all of our loved ones who have passed, followed by a brief moment of silence.

**ROLLING EXHAUST CONTEST**

The winner of this contest is based on how their Corvette sounds while accelerating up the hill from Gate 6 to Gate 5. There are three qualifying rounds and a finale. The finale participants will be posted outside Guest Services at noon Saturday. See schedule.

**TO PARTICIPATE:**

- A show registration sticker, driver's license and proof of insurance are required
- Register at Guest Services; for only one qualifying round; first-come, first-served

**AUTOCROSS FUN LAPS & SHOOTOUT**

- SPONSORED BY LINGENFELTER PERFORMANCE
- HOSTED BY CUMBERLAND VALLEY CORVETTE CLUB

Participate in autocross just for fun or try the Shootout Contest for a chance to become our new King of the X!

Special thanks to Lingenfelter Performance for providing cash prizes totaling \$1,000! There are two competition categories in the Shootout – street and performance. There are qualifying sessions each day, then the Shootout on Saturday at noon. Each driver may take up to four runs of two laps each. The fastest five runs in each class compete in the finale.

**TO PARTICIPATE:**

- Show registration sticker, driver's license and proof of insurance are required
- Sign up at "Autocross Registration" on Row NF
- Free for Fun Laps; \$20 for Shootout

**DOWNTOWN CARLISLE  
CORVETTE PARADE, PARK & PARTY**

On Saturday night, join the fun in charming Downtown Carlisle for the Parade, Park & Party as Corvettes drive to the square where they'll park for enthusiasts to see them up close. We encourage you to enjoy our town and local fare. Stop by Guest Services for a street map or pick one up on your way out of Gate 3. Registered participants must check in (with Downtown Carlisle Association in Guest Services) to get their parade credentials.

**INSTALLATIONS**

Our Official Performance

Parts Installer, **A&A Auto Stores**

is offering **INSTALLS** on performance exhausts during this event weekend! They are Carlisle's Hometown Store with a location just around the corner within a mile of the Carlisle Fairgrounds. When not on site at the Carlisle Fairgrounds, you can find them only moments away and on your way to I-81 and I-76 at 1053 Harrisburg Pike. Shop on line at [AAAutostores.com](http://AAAutostores.com). To schedule your installation this weekend, call 570-313-0325/570-301-7867.

**WOMEN'S OASIS**

This unique shopping opportunity is in the huge tent on Rows NC/ND, and includes seminars. Learn how to make some delicious meals or test new kitchen products and gadgets.

**SEATED MASSAGE & STRETCH THERAPY** available **all day!** Visit Judy Lee for more information at the Women's Oasis tent.

**CHALKING WITH HOPE** hands-on workshop available **Thursday - Saturday 10 a.m. - 4 p.m.** Chalking with hope is a new vendor that is happy to provide a hand's on experience from start to finish. You will be going home with your very own one-of-a-kind creation offered by Chalk Couture Independent Designer, April Holtry. Several price points available to choose from. Space is limited so visit the Women's Oasis to sign up for your session early.

**COOKING DEMO w/ UGLIE ACRES & THE  
PAMPERED CHEF: Friday & Saturday 12 p.m.**

Who doesn't need some scrumptious, EASY meals to feed the family? Join Uglie Acres, as she shows you how to make one-of-a-kind recipes with some classic kitchen must-haves from The Pampered Chef.

**NORWEX 101: Saturday 11 a.m.** So many ways to use these incredible products and our crew from Norwex is going to share all the secrets.

*continued*

WOMEN'S OASIS CONTINUED

Special thanks to our vendors: A Touch of Country, Avon, Barefoot Books, Beautycounter, Chalking with Hope, Cutco, Einstein Indian Jewelry, Goods Arts & Crafts, Judy Lee Massage, Lilla Rose, Longaberger, Magnetude Jewelry, Norwex, Rarity Nails, Scentsy, Sexy Sandals, Silpada, Tastefully Simple, The Pampered Chef, and Uglie Acres.

PARTS HAULING & TAXI SERVICE

Call to have your parts hauled or to get a ride (on the fairgrounds):

# FREE SEMINARS

We're very grateful to our seminar presenters for their time and expertise. Enjoy these opportunities to gain valuable knowledge from the pros. Use the free Carlisle Events app to set reminders on your phone. See the map in the centerfold for locations.

## CALLAWAY 35TH ANNIVERSARY

**FRIDAY 3 PM & SATURDAY 1 PM**  
**HOSPITALITY TENT**

Join Callaway Cars' Founder Reeves Callaway & special guests for a seminar reflecting on 35 years of Callaway Corvettes. From the initial phone call from then Corvette Chief Engineer Dave McLellan, through the development of the twin turbo Corvettes, and the subsequent years of motorsports success in Europe, to today's commemorative work on the C8 platform. Featured Callaway Corvettes will be present for a walk-around and Q&A session.

## RICK MALONE, RON FELLOWS DRIVING SCHOOL

**FRIDAY 2 PM & SATURDAY 11 AM**  
**BUILDING R (west side)**

Back by popular demand...Join Ron Fellows Performance Driving School's very own Rick Malone as he helps you learn the proper techniques to help defy the laws of physics while maintaining complete control of your Corvette! If you've ever considered getting on the track...you don't want to miss this!

## INTRO TO THE CORVETTE TODAY PODCAST

**FRIDAY & SATURDAY 1 PM**  
**BUILDING R (west side)**

Join Steve Garrett, host of the CORVETTE TODAY podcast (and YouTube videos), for an introduction and background about the only podcast about Corvette. It's a weekly podcast (and YouTube video) that launches every Monday at midnight EST and there are over 120 different episodes. Now, in its third year, CORVETTE TODAY also has a YouTube element - each podcast gets its own YouTube video. You can listen or watch CORVETTE TODAY anywhere.

Every other week, CORVETTE TODAY features a "News & Headlines" podcast to keep you up to date on what's happening with America's Sports Car. On the off-weeks, Steve interviews A-List people in the Corvette hobby. Meet Steve and learn all about CORVETTE TODAY!

## DRIVE-THROUGH DIAGNOSTICS

**THURSDAY 9-11 AM,**  
**FRIDAY & SATURDAY 8-10 AM**  
**CORVETTE MECHANIC GARAGE (Bldg. R)**

THE CORVETTE MECHANIC TEAM performs drive up diagnostic assistance at THE CORVETTE MECHANIC GARAGE (Building R). No appoint-

ment necessary and it is first come/first served. Watch, listen and learn first-hand as Paul and his team show you all aspects of the diagnostic process on 1984-2022 Corvettes. Video feeds on screens with scan tool information along with diagnostic process from Chevrolet on Corvette. Questions may be asked during process from the audience.

## FIRST TIMERS, WELCOME TO CARLISLE!

**THURSDAY 1 PM**  
**CORVETTE MECHANIC GARAGE (Bldg. R)**

Paul Koerner and his team welcome first-time Corvette owners and those who are just looking for some tips on their Corvettes. Take some time to meet THE CORVETTE MECHANIC TEAM and ask the questions you've been waiting to ask. They can provide you with maintenance and general instructions to help you enjoy your Corvette to it's fullest.

## 1984-2013 Q&A

**FRIDAY 10:30 AM & SATURDAY 1 PM**  
**CORVETTE MECHANIC GARAGE (Bldg. R)**

THE CORVETTE MECHANIC TEAM has been serving Corvette for well over 30 years and the combined knowledge enables them to address mostly any question about these generations of vehicles. Discontinued parts?? We will cover those that may have aftermarket solutions. Diagnostic process from the 80s to today and everything in between. Come by for a detailed question and answer discussion.

## 7TH GEN LEADS TO THE NEXT GEN 2014-2022

**FRIDAY 12 PM & SATURDAY 3 PM**  
**CORVETTE MECHANIC GARAGE (Bldg. R)**

Front engine, Mid-engine, Dual clutched, Auto, manual, modified or not, these vehicles are state of the art technology which require a deep education that only GM can provide us. Our team is factory-trained by GM in all aspects of the 7th and next-gen. We will be happy to answer any and all questions regarding these amazing vehicles.

## CORVETTE POWERTRAIN

**FRIDAY 2:30 PM & SATURDAY 10:30 AM**  
**CORVETTE MECHANIC GARAGE (Bldg. R)**

With the excitement surrounding the all new Z06, Paul Koerner and team discuss Corvette Powertrains. Discuss what's new and what's next for the America's Sports Car and the engines that keep us coming back for more!

## Aerolarri Wheels

By Mike Garland, Carlisle Events

Corvettes at Carlisle is celebrating its 40th anniversary August 25-27 and for one vendor, it's a coming out party of sorts. Aerolarri Wheels is an Illinois based company that specializes in custom wheels, but it was Corvettes at Carlisle 2021 that served as a launchpad for Chet Baigh and his company.

Chet and Aerolarri Wheels began with original concepts dating back to his engineering classes in the late '90s. If it's a wheel, he's reinvented it, from bicycle wheels to car wheels and everything in between. Now he's also reinventing HOW wheels are sold. AEROLARRI combines unbeatable prices for true forged wheels, unique styles developed in-house, factory-direct logistics and even an augmented reality visualizer smartphone app. His forged creations aren't specific to ONLY the Corvette, but for his presentation at Corvettes at Carlisle, the event audience will see a great mix of Corvette wheel options brought by the actual customers. In fact, Aerolarri can produce the largest range of sizes available for the Corvette with proven perfect fitment. Aerolarri will also be the NEW presenting sponsor for the popular People's Choice contest (details forthcoming).

Aerolarri is more than wheels, as aero parts and exhaust systems are available, but wheels make the cars go and for one special Corvettes at Carlisle guest, a BRAND-NEW set of Monoblock Aerolarri Wheels. As part of the annual People's Choice contest, entrants will be judged and advance via votes on social media in the months leading up to Corvettes at Carlisle (starts May 1). The monthly winners will appear in person at the event, with a top three announced, including a Best-of-Show. Trophies are available for the top three, with the winner not only snagging the wheels, being featured in the 2023 event guide, and a FREE reserved Fun Field pass for 2023. The monoblock wheels will be made with the winner's

choice of style and to fit the specific winning Corvette, or car of the winner's choice.

"I've been a Corvette guy my entire life, owning three, including building a Pro Touring C3 from a dragster," noted Chet. "My passions have driven me to find and support the largest C8 Corvette Facebook group and I've met so many great people along the way," continued Chet. "Last year, it was an honor to see the first set of C8 wheels I ever produced adorn the car of Carlton Phillips, who placed third in the People's Choice contest. This year, I look forward to meeting the new winner and gifting him with a set of our Monoblock Aerolarri Wheels."

Corvettes at Carlisle isn't the only one celebrating 40 this weekend: Happy 40th Birthday, Chet!

## Phil McCormick 2021 Corvettes at Carlisle People's Choice Best of Show Winner

By Mike Garland, Carlisle Events

On Friday as part of your beloved Corvettes at Carlisle car show, we'll recognize a handful of Corvette owners who made it to the finals of our months-long People's Choice/Best of Show online contest. When it's all said and done, one of them will take home the honors. One such honor is to be featured in

this very event guide. Soon we'll find out who we'll be talking about next year, but today...we are going to spotlight Phil McCormick, our 2021 Corvettes at Carlisle Best of Show award winner.

Phil lives in nearby Mechanicsburg, Pennsylvania, making the interview process super simple. In fact, I spoke with him on a Tuesday in June just minutes before my daughter's gymnastics practice. After all, the gym was literally right across the stream from Phil's house. When I pulled into his driveway it was raining. There were two daily drivers in his driveway and the garage doors were cracked, mostly to keep the rain out. Phil hollered for me to come around to the side and come in, which was nice because I didn't really want to tuck and roll under the doors.

When I walked in, I could see I was in the presence of a car guy. On the wall were old license plates, various pieces of automobilia, and even an autographed Magna Flow poster from Chip Foose that he got signed in 2015 at Corvettes at Carlisle. Also in the garage were two very important parts of his life; his wife Katy, and his 1969 Corvette Stingray.

We got right into it...the details! His '69 has a 427 under the hood and it's a matching numbers car with 87,000 original miles. Best of all, he bought the LeMans Blue Vette in 2011, sight unseen from an owner in Seattle, Washington. After the sale, he and his brother drove it home. It took them five days and they only had one issue, a flat tire near Indianapolis. Phil still has the Washington state license plate too, as it was one of those aforementioned pieces of "car guy" stuff on his wall.

With a car that he got for a steal of a deal, he shows it and drives it whenever possible. Of course Corvettes at Carlisle is an annual must-do, but he also appears at a bunch of local shows, including indoor events. In fact, Phil did his first indoor show in January of this year and won an award there. Clearly, he's onto something with this car!

A born car guy, Phil grew up in southwest Detroit. Everywhere he looked as a kid, there were

BILL MILLER, JR., KATY & PHIL MCCORMICK,  
AND LANCE MILLER

cool cars. Never did he think he'd own one like that, let alone an original with matching numbers and some of its original paperwork.

But how did he stumble into such a find? The finding it story is simple. He knew a guy who knew a guy. The price was right, and a deal was made. But...where'd that

money come from Phil? At the same time Phil was thinking about this car, his daughter was in college studying to be a meteorologist and atmospheric scientist. I know, you're thinking...he didn't spend his kid's college money on a Corvette did he? Yes, he sure did! Being a smart student, she earned some free money along the way via scholarship. This achievement freed up some of that tuition money and that, plus some support from his wife led to the car's purchase.

Phil's been a long-time supporter of Corvettes at Carlisle and has cherished every minute of his time on grounds. For more than 20 years, he's been coming and says what he loves the most are the various interactions with people, seeing the cars, and even meeting special guests. One such guest was Ken Lingenfelter, who really enjoyed the wheels on Phil's car; so much so that he had some made just like them for one of his Corvettes and even invited Phil to tour his garage in Michigan.

Then I said to Phil, what made you enter the contest? He said "I saw it pop up on my Facebook feed and thought it was cool but wasn't going to enter. I knew there were better cars than mine, but my family talked me into it...so, why not, I entered."

The next thing Phil knew, he was the monthly winner, then he advanced again and by the time he could totally grasp what was happening, I was announcing his name as THE winner at the stage. It was also the first time both his wife and daughter were at a show with him, so the moment was even more special. This wasn't his first award at Carlisle. That came as part of the Carlisle GM Nationals in 2016...but this was way more special.

For a guy who loves his family, AC/DC and his Corvette, he's content on keeping it for the time being, but his dream car is a C8. "I really want to take a new C8 on the track," said Phil. The C8 is definitely a cool car and as a supporter of the Chip Miller Amyloidosis Foundation, Phil said he's entered the two contests associated with the CMAF. Who knows, maybe this year he'll win that C8 he's been dreaming of.

## Callaway Cars: A Historical Perspective 35th Anniversary Display

By Chris Chessnoe

For 35 years, the most powerful and distinctive Corvettes in the world have been created by a team of dedicated engineers located in Old Lyme, CT, Temecula, CA, and Leingarten, Germany – they are the cars known as Callaway Corvettes and their creed is “Powerfully Engineered Automobiles”.

Known for their engineering and fine attention to detail in the craftsmanship of their products, Callaway has been on the top of the high-performance field for over four decades. Originating in the garage of his Old Lyme home in 1977, Reeves Callaway began with modifications upon BMW 3 Series cars. Out of that work came his first turbo system that received a rave report when reviewed by Car & Driver Magazine. With his first project deemed a success, Callaway continued to develop other products, often with major vehicle manufacturers, such as Alfa Romeo, constructing the twin turbo system for their GTV6.

It was the Alfa GTV6 Twin Turbo which sparked interest within the ranks of General Motors (GM) towards Callaway Cars and their engineering abilities. In the early 80s, GM was looking at high performance powertrain options for the Corvette, including turbocharging and multi-valve technologies. GM was aware of Callaway’s reputation and the cars it had produced. In fact, they had taken a Callaway Alfa Twin Turbo and examined the work closely. After GM’s own single and twin turbo V6 and V8 projects had run their course, Dave McLellan, then Chief Engineer for Corvette gave

the nod to Callaway, authorizing development of a prototype. The resulting powertrain option was introduced in June 1986 under Regular Production Option (RPO) B2K. With 345 hp and 465 lb. ft of torque, the Callaway Twin Turbo engine option was engineered to be the ultimate Corvette package, producing tremendous power while retaining its emissions controls and a warranty.

With Chevrolet’s blessing, the Callaway Twin Turbo was officially launched, available through select Chevrolet dealers. It continues to hold the distinction of being the only engine package for the Corvette produced outside of GM to hold a RPO code. Produced between 1987 and 1991, 510 of these special Corvettes were built in coupe, convertible, and at the close of production, in Speedster form. By ordering a Corvette through the dealer, checking the box for RPO B2K triggered a series of events, including special equipment and handling under SEO Z5G.

Throughout production, evolutionary changes were made. Optional cast magnesium Dymag wheels were available in 1987 in a 16-inch diameter and, later, a 17-inch size. In 1988, power levels increased to 382 and torque to 565 lb-ft. That year also saw the 17-inch Dymag wheels as standard equipment with other options such as an automatic transmission and full leather interior being offered. A new option for the 1989 B2K was the handsome AeroBody™ designed by Paul Deutschman and was first seen on the Callaway Sledgehammer Corvette, which achieved

254.76 MPH, a world-record that would stand for over 25 years. For 1990, horsepower rose to 390 and torque output was 562 lb-ft. However, the automatic transmission was discontinued. 1991 was the final year for this engine package and power was up again, to 403 hp and 575 lb-ft of torque. In 1991, the breathtaking Speedster model was revealed; 10 Series I Speedsters were built, each a unique color combination.

In 1992, GM introduced the second-generation LT1 small block V8. Given inherent challenges to turbocharge, the Callaway SuperNatural™ Corvettes were born. Previously, Callaway Corvettes made their increased power through positive manifold pressure; now they made additional power through increased engine displacement or finesse. Initially called the CL1 (LT1) and CR1 (LT5), they designated the chassis from which they were built upon and were offered with a host of options: AeroBody™, special paint colors, full leather interiors, special wheels, brakes and exhaust systems. Cars could either be ordered and shipped directly to Callaway's facility in Old Lyme or a select authorized installer. Existing Corvettes could also be sent for conversion. Available between 1992 and 1996, the series evolved from SuperNatural™400, designating 400 horsepower, it grew to become the 425, 435, 440, and finally the 450 model for LT1 (and LT4) based cars. 475 or 490 hp being available for LT5-based cars. Callaway expanded the SuperNatural™ line to Camaro and Impala models. Callaway also constructed three special vehicles featuring bespoke twin-turbocharged LT5's; Two Super Speedsters and a ZR1-based coupe.

In 1998, Callaway debuted their own new model called the C12, based on the chassis of

the newly released C5 Corvette. With an entirely new body and suspension, this Callaway shared little with the Corvette upon which it was built. To comply with Le Mans GT rulebook, it was built to a maximum width of 2 meters; nearly 6 inches wider than the standard C5. Powered by a naturally aspirated Callaway LS engine, the C12 was beautiful to look at, and extremely powerful. The C12's new skin was penned by Dr. Paul Deutschman, and constructed from lightweight carbon fiber. The racing variant C12R took pole position at Le Mans in 2001. In addition to the C12, Callaway also offered a product line for fifth-generation Corvettes called "Power Groups", which included Honker™ airboxes, top end packages, exhaust, brake, wheel and interior enhancements.

In 2004, Callaway Cars elevated the performance of Corvettes with their SuperNatural™ offering for the newly introduced C6 model. Initially offering naturally aspirated packages, SuperNatural™ 490 and 550 (horsepower) packages were available through select Callaway Dealer. In 2006, Callaway returned to positive manifold pressure on Corvettes, supercharging the C6 with impressive results.

Initially introduced as the Callaway SC560 SuperCharged Corvette, an optional 616 horsepower package was soon available by combining the SuperCharged Corvette options and specific components from the SuperNatural™ series. With the introduction of the LS3 engine in 2008, power climbed to 580 on the Callaway Corvette and later to 606 with the advent of the TVS2300-series SuperCharged cars. For those who sought even more power, Callaway supercharged the venerable LS7 in the Z06 Corvette, as part of the

SC652 model, delivering tremendous power in an extremely well-mannered package.

In 2007, Callaway launched project C16. Debuting their handcrafted version of their Corvette-based supercar at the Los Angeles Auto Show, it was fitted with a hand-trimmed full leather and Alcantara interior, along with options from the Callaway Corvette – Le Mans brakes, coilover suspension, carbon fiber/magnesium wheels and more. Each C16 was built to order and available as a coupe, cabrio or speedster.

For 2012, the 25th Anniversary of working with the Corvette, Callaway was re-issued their original RPO (B2K) for use on a limited run of Corvettes. Featuring special paint and equipment from Chevrolet, twenty-six identical Corvettes (25 production and a pilot car) were drop-shipped to Callaway facilities for final conversion under this program. All were Cyber Gray, and as a coupe or convertible, automatic or manual, they delivered 620 supercharged horsepower and featured a full list of Callaway equipment.

In 2014, GM launched the 7th Generation of Corvette and Callaway was ready with their new GenThree Triple-Cooled supercharger system, which raised horsepower to 627 on the Stingray

and featured a through-hood design, allowing convective heat transfer from cooler ambient airflow. The following year, the C7 Z06 debuted, and Callaway applied their supercharger (32% larger than the o.e. unit) resulting in 757 hp/777 lb-ft.

The knowledge gained in supercharging thousands of Callaway Corvettes expanded to include Camaros, SportTrucks, SUV's and even sedans.

With the introduction of the C8 Stingray, Callaway was again issued a RPO (PCY) to commemorate the milestone anniversary for the 35th year of working with Corvette. Specific Callaway content is included in this anniversary model with Corvette order documents, build sheets and other paperwork identifying this significant milestone. Only 35 of these vehicles were built, available through authorized Callaway dealers now.

For information on these "Powerfully Engineered Automobiles", visit the displays at this event, online at [callawaycars.com](http://callawaycars.com), and check out [callawayownersgroup.com](http://callawayownersgroup.com) for owner's resources and more.

50 years ago, we saw a lot of things happen in politics, music, and automotive circles. Let's take a trip back in time.

This third generation Corvette was produced in August of 1971, was the last model year for chrome bumpers at both front and rear, the vacuum actuated pop-up windshield wiper door, as well as the removable rear window common to all 1968-72 coupes. The key-activated anti-theft alarm system became standard and the automatic transmission was installed in most Corvettes, 54% of them to be exact. This was also the final year for the 255 HP LT-1 engine and the ZR1 racing package that was built around it. Rare options for the '72 included the ZR1 special engine package and shoulder belts with convertibles.

Some of the more noteworthy pop-culture happenings included:

- Watergate
- Japan hosts the Winter Olympics

- Last group of U.S. ground troops withdraw from Vietnam
- Hurricane Agnes ravages Pennsylvania with record rain and flooding totals
- HBO launches
- Atari releases PONG
- Lance Miller and actors Ben Affleck and Gwyneth Paltrow were born
- Baseball Player Jackie Robinson and 33rd President of the United States, Harry Truman died
- Deliverance and The Godfather were popular at the box office
- The Eagles, Elton John, and Rod Stewart were popular on the radio (and are still touring in 2022)

A gallon of gas cost 36 cents, the average cost of a new home was \$27,000, a postage stamp was 6 cents, and in the football world, Dallas beat Miami in Super Bowl VI 24-3.

**LOCATED IN THE TENT BESIDE  
BUILDING R  
OPENS DAILY AT 8 AM**

We are excited to present a spectacular collection of Corvettes this year. The National Corvette Restorers Society Gallery XXI is a great place to meet Corvette enthusiasts and to learn about the NCRS. This is our 21st Gallery and our dream lives on. We hope you enjoy this year's collection.

The NCRS Gallery is located in the big white tent next to Building R, between gates 2 and 3. This is one of the best collections of Corvettes we have ever put together.

The NCRS Gallery is an invitational collection of

Corvettes of merit which exemplify what the NCRS is all about. Carlisle Events sponsors the Delaware Valley Chapter of the NCRS to present this annual event. It provides a deeper insight into the purpose of the NCRS, which is the preservation, restoration and enjoyment of Corvettes produced from 1953 – 2004.

The NCRS Gallery XXI exhibit is extraordinary and a "MUST-SEE" collection of great Corvettes, which includes a pristine Silver Blue 1963 split window coupe Top Flight Award winner as well as a beautiful Silver Beige 1982 T-Top 4 Star Bowtie Award winner. These represent some of the NCRS judging classes and award recipients in this year's display.

While you are at Corvettes at Carlisle, be sure to visit the NCRS Gallery XXI to see and experience this phenomenal collection of Corvettes. Ask us how to join the NCRS while visiting our Corvette display.

We thank Carlisle Events for their ongoing support of the NCRS Gallery each year.

## EBAYMOTORS

With over 122 million parts at the right price, eBay Motors is the world's largest marketplace for auto parts. Our optimized search experience also guarantees you only see parts that are the right fit for your specific vehicle. This makes finding perfectly fitting parts simple and easy. And, with all parts purchased on eBay covered by the eBay Money Back Guarantee, you can buy with complete confidence.

If you're looking to purchase a vehicle, we also have a vast inventory with every type of ride imaginable—tens of thousands of them. Your purchase also comes with total peace of mind thanks to the eBay Motors Vehicle Purchase Protection plan, which covers up to \$100,000 for vehicle non-delivery, missing title, or major undisclosed defects.

eBay Motors is also the perfect global marketplace for sellers of every size. In fact, over 80 percent of all auto items on eBay Motors are sold by small and medium-sized businesses at a fixed price. Best of all, our community of sellers are as passionate as you.

So, whether you're looking to buy or sell, check out ebaymotors.com and download the eBay Motors app today.

As the presenting sponsor of Corvettes at Carlisle 2022, we're honored to share this experience with you. Meeting you all, hearing your stories, and celebrating our love for all things motors as a community

is what makes this event so special and keeps us coming back. Enjoy this year's show.

## A&A AUTO STORES

A&A Auto Stores started as a family business in 1958. Over sixty years later, A&A Auto Stores continues to be a leader in the aftermarket auto parts industry. With 16 locations in Eastern and Central Pennsylvania, A&A Auto is showing no signs of slowing down. In 2018, A&A Auto Stores opened a retail location and install shop at 1053 Harrisburg Pike, less than a mile from the Carlisle Fairgrounds. In late 2021, there will be an announcement with even more exciting expansion news to share!

A&A Auto Stores is a household name within the Carlisle Events community as 2022 will mark their 23rd year of participation. A&A Auto Stores is the Official Performance Parts Installer for Carlisle Events and offers FREE installations of exhaust systems and accessories during the events from leading brands like: Magnaflow, Borla, Corsa, Flowmaster, AWE, MaxFlow Extreme, B&M/Hurst and more.

In addition, A&A Auto Stores brings a wide variety of automotive products, accessories and expert knowledge to each Carlisle event including a comprehensive product line of performance parts from suppliers like Extang, Trail FX, K&N, Ultra Wheels, AFE, Volant, Warn, Zone, Edelbrock, Grid Wheels, and Skyjacker just to name a few.

Carlisle Events brings

together enthusiasts from all over who are genuinely interested in discovering new suppliers and products. A&A Auto Stores team members are enthusiasts too and take tremendous satisfaction in knowing that they are in the position to get their customers exactly what they need from the brands they want at a fair price.

## AMERICAN COLLECTORS INSURANCE

Since 1976, American Collectors Insurance has been serving the unique needs of classic and collector car owners across the country. We pride ourselves on being in touch with what's important to owners — whether that's agreed value coverage, expert claims handling, or competitive rates that are significantly less than standard auto. Our mission to embrace, protect and expand the collector community has not only created strong customer loyalty, but it has also made us the nation's leading provider of collector vehicle and collectibles insurance. Reach out today for a free quote by calling us at 888-529-3886 or visiting [americancollectors.com](http://americancollectors.com)!

**Other things about American Collectors that you need to know!**

• **Our new TreasureGuard™ policy includes numerous policy enhancements (included at no additional cost) such as:** \$0 deductible on glass claims, \$50 Basic Towing Reimbursement Coverage, \$150 Personal

OFFICIAL  
OIL

WORLD'S LARGEST ALLOCATION  
OF NEW CORVETTES

PREFERRED  
CAR CARE PRODUCTS

Effects Coverage, \$250  
Disaster Relocation Expense  
Coverage, \$500 Spare  
Parts Coverage, \$750 Pet  
Coverage plus more!

#### • Customer Rankings:

American Collectors  
Insurance is the highest-rated classic/collector car insurer in all major customer ratings providers (e.g., Trustpilot, Facebook, Google Reviews).

#### • Customer Service Availability:

Extended customer service hours (8 a.m. – 8 p.m. Mon. – Fri., 8 a.m. – 5 p.m. Sat., EST).

#### • More than Insurance:

American Collectors Insurance provides more than insurance. We also offer free online resources for the collector car community, created by enthusiasts for enthusiasts, including: educational materials, contests, social media, video/article content for the classic/collector car hobby, and much more.

## AMSOIL

They are not just engineers and chemists; they're also gearheads and thrill-seekers driven to push lubrication technology forward. AMSOIL is a global leader in lubricant technology, formulating synthetics that offer innovative answers to challenges confronting vehicles and equipment. For example:

- AMSOIL Signature Series Synthetic Motor Oil, provides 75% more engine protection against horsepower loss and wear than required by a

leading industry standard.\*

- Engineered for classic and high-performance vehicles, AMSOIL Z-ROD® Synthetic Motor Oil features a high-zinc formulation to prevent wear on flat-tappet camshafts, and a blend of rust and corrosion inhibitors for added protection during storage.
- AMSOIL Manual Transmission & Transaxle Gear Lube promotes fast engagement of synchronizers and gears for quick, smooth shifts, excelling in severe-service conditions that exceed the limitations of conventional fluids.

The extraordinary performance of AMSOIL synthetic lubricants in a range of markets – automotive, power-sports, industrial, racing and more – has made their influence on the industry unmistakable, resulting in legions of brand-loyal customers. Formulated, blended and packaged in Superior, Wis., AMSOIL sets the standard, providing outstanding protection and performance for all your vehicles.

\*Based on independent testing of AMSOIL Signature Series 5W-30, in ASTM D7320 as required by API SN specification.

## CIOCCA CORVETTE

Gregg Ciocca bought his first car for \$700 – cleaned, serviced, and reconditioned it in the family garage – and sold it for profit. Nearly five decades later, the Ciocca name is on 24 dealerships and has satisfied countless customers throughout Pennsylvania and New Jersey.

The Ciocca story starts in the

1970s when Gregg, a northeast Philadelphia native raised by his mother, began buying cars from people's driveways and wholesaling them at auctions. As he learned the ins and outs of the business, Gregg opened his first used car lot in 1980. One location quickly turned into seven. In 1993, Gregg purchased his first new car business – a Ford dealership in Quakertown, Pennsylvania.

"I've always had a passion for cars. I just love them, and I knew immediately that this was what I wanted to do." Today, Gregg is the proud owner of 24 dealerships with 16 unique brands including Ford, Subaru, Mercedes, BMW, Honda and most recently expanded into the Atlantic City market with the acquisition of Chevrolet in Atlantic City – which is currently celebrating its 27th straight year as the world's largest Corvette dealership. Ciocca is excited for the opportunity to be involved with the Corvette community and cites this as an iconic, once-in-a-lifetime acquisition.

Ciocca's undying focus on excellence and commitment to their customers is unmatched. They want you to not only love the car you walk out with, but be 100-percent satisfied with the purchase process.

## MEGUIAR'S

For over the past 118 years, Meguiar's has shared their passion for creating the best possible product to perfect and protect a car's finish while also striving to support and connect with a community of car enthusiasts. Year after year Meguiar's proudly sponsors

and attends car shows all across the country, forming meaningful relationships along the way, and working to provide solutions for those who want their cars to look their best. Meguiar's continues to craft premium products made in the USA for every car surface imaginable, in and around your car.

Meguiar's ongoing success stems from the drive to constantly evolve and adapt to modern times and vehicle surfaces through the incessant innovation of new cutting-edge formulas. Just as paint technology changes and advances over time, the ways to protect and perfect it evolve, too.

Meguiar's is ready to help with their Solutions Hub which is available six days a week to answer any car care questions you may have by phone at 800.347.5700 and by chat at [www.meguiars.com](http://www.meguiars.com). Join the discussion on Meguiar's Facebook and Instagram pages, or on Meguiar's online forum at [meguiarsonline.com](http://meguiarsonline.com).

Meguiar's is here to help you Reflect Your Passion!

## PENNSYLVANIA TURNPIKE

The Pennsylvania Turnpike Commission, an independent transportation agency that operates in the Commonwealth of Pennsylvania, opened Oct. 1, 1940. It celebrates more than 80 years of operations, and over those eight decades it has received nationwide acclaim as an engineering marvel.

The Turnpike established the national standard for superhighway design and

construction more than 16 years before the first U.S. interstate highway. When America's first super-highway opened in 1940, the Turnpike ran 160 miles between Irwin, PA and Carlisle, PA. Today, the PA Turnpike stretches more than 550 miles, triple its original length.

It continues its legacy of innovation in the ground-transportation industry with a modern-day mission to operate a safe, reliable, customer-valued toll road system that supports national mobility and commerce. Recent advances include designing and building award-winning facilities and structures; investing in wider and smoother roadways; and providing traveler benefits such as All-Electronic Tolling, innovative smartphone apps, and a dedicated 24/7 customer safety and response team.

Learn more at [PATurnpike.com](http://PATurnpike.com).

## ROCKAUTO

RockAuto.com is an auto parts retailer founded in 1999 by automotive engineers with two goals: Liberate information hidden behind the auto parts store counter (by listing all available parts, not just what one store stocks or one counter-person knows), and make auto parts affordable so vehicles of all ages can be kept reliable and fun to drive.

Today, RockAuto is a leader in the automotive parts industry shipping thousands of parts, from hundreds of manufacturers, to millions of customers all over the world. The RockAuto catalog is updated daily with parts ranging

from brakes and filters for your daily driver, to distributor caps and repair manuals for your classic, to traditionally "dealer only" parts like OE style wheels and electronic components, to collision parts like tail lamps and grilles.

Along with a huge selection, RockAuto offers reliably low prices on the respected brands you know and trust, shipping is fast, and the uniquely helpful catalog is easy to navigate with detailed part information so you can purchase the auto parts you need with confidence.

Visit [RockAuto.com](http://RockAuto.com) to order auto parts for your classic and daily driver 24 hours a day, 7 days a week and have them conveniently delivered to your door.

RockAuto.com, the Preferred Auto Parts Store of Carlisle Events for over ten years!

## SPRING MOUNTAIN MOTOR RESORT

The Ron Fellows Performance Driving School at Spring Mountain is The Official High Performance Driving School of Corvette. The 933-acre driver's paradise boasts the longest road course in North America at over 9.3 miles in length. But Spring Mountain is much more.

Its resort-style facilities rival the finest country clubs anywhere. And while attending the school, you and your immediate family can enjoy all the Club Spring Mountain amenities, including clubhouse, pool, Jacuzzi, and fitness center..

Street Shop Inc. located in Athens, AL, manufactures new "mandrel formed" replacement chassis for your 1953-1982 Corvette.

At Street Shop, Inc., we design and fabricate virtually every component used on our chassis and suspension in house. Extensive use of CAD/CAM and CNC equipment allows us to create repeatable products that fit as expected every time.

Please visit our website at [streetshopinc.com](http://streetshopinc.com) or contact Tray Walden at [tray@streetshopinc.com](mailto:tray@streetshopinc.com) for more information.
