LANCE MILLER, BILL MILLER JR.,
BILL MILLER III

ED BUCZESKIE, EVENT MANAGER

THANK YOU FOR COMING!

2022 is the 49th year of the Fall Carlisle Collector Car Flea Market, Corral and Auction! We are grateful to everyone who comes together each year to ensure the success of this event: flea market and car corral vendors, sponsors, concessionaires, event staff, family, friends, and fellow enthusiasts. We actually got things going earlier this week as the Bill Miller Collection auction took place at the neighboring former Smith's Appliance Building. We had a few hundred bidders and buyers of Bill's merchandise and collectibles. You never know, something that was sold on Monday or Tuesday may be available to you within the automotive flea market. His personal car collection is scheduled for the collector car auction at the Carlisle Expo Center Thursday (9/29) at 3 p.m.

We love hearing from you! Please fill out our online survey linked on the event details page of our website.

PENNSYLVANIA TURNPIKE

The Pennsylvania Turnpike Commission, an independent transportation agency that operates in the Commonwealth of Pennsylvania, opened Oct. 1, 1940. It celebrates more than 80 years of operations, and over those eight decades it has received nationwide acclaim as an engineering marvel.

The Turnpike established the national standard for superhighway design and construction more than 16 years before the first U.S. interstate highway. When America's first super-highway opened in 1940, the Turnpike ran 160 miles between Irwin, PA and Carlisle, PA. Today, the PA Turnpike stretches more than 550 miles, triple its original length.

It continues its legacy of innovation in the ground-transportation industry with a modern-day mission to operate a safe, reliable, customer-valued toll road system that supports national mobility and commerce. Recent advances include designing and building award-winning facilities and structures; investing in wider and smoother roadways; and providing traveler benefits such as All-Electronic Tolling, innovative smartphone apps, and a dedicated 24/7 customer safety and response team.

ROCKAUTO

RockAuto.com is an auto parts retailer founded in 1999 by automotive engineers with two goals: Liberate information hidden behind the auto parts store counter (by listing all available parts, not just what one store stocks or one counter-person knows), and make auto parts affordable so vehicles of all ages can be kept reliable and fun to drive.

Today, RockAuto is a leader in the automotive parts industry shipping thousands of parts, from hundreds of manufacturers, to millions of customers all over the world. The RockAuto catalog is updated daily with parts ranging from brakes and filters for your daily driver, to distributor caps and repair manuals for your classic, to traditionally "dealer only" parts like OE style wheels and electronic components, to collision parts like tail lamps and grilles.

Along with a huge selection, RockAuto offers reliably low prices on the respected brands you know and trust, shipping is fast, and the uniquely helpful catalog is easy to navigate with detailed part information so you can purchase the auto parts you need with confidence.

Visit RockAuto.com to order auto parts for your classic and daily driver 24 hours a day, 7 days a week and have them conveniently delivered to your door.

2022 HIGHLIGHTS

THE FORD NATIONALS SHOWFIELD HAD MORE VEHICLES THAN ANY OTHER EVENT IN CARLISLE EVENTS' HISTORY

THE DODGE CORPORATE DISPLAY AT THE CHRYSLER NATIONALS

REPRESENTING 40 YEARS OF THE 3RD GEN CAMARO & FIREBIRD AT THE GM NATIONALS

As we enjoy the final Carlisle-based event on the 2022 schedule, now seems like a great time to look back at yet another amazing season. To say it was record-breaking would be an understatement. We set all-new Showfield records at the Ford Nationals (3,454), Carlisle Chrysler Nationals (3,101), Carlisle Truck Nationals (2,595) and Corvettes at Carlisle (2,926). In addition, the Import & Performance Nationals and GM Nationals saw top-5 turnouts too. Best of all, our Ford Nationals total made it the biggest car show EVER hosted at Carlisle. Another milestone came in early July when the Carlisle Chrysler Nationals not only broke its previous record, but topped the 3,000 show car mark for the first-time ever. We can't thank you enough for your support.

What makes numbers like this special is that even after nearly 50 years of Carlisle Events and decades of offerings by the aforementioned events, participation continues to trend upwards. For example, last year the Truck Nationals broke its previous mark by more than 400 trucks. In 2022, you did it again by at least 100 more. In all, the Truck Nationals has more than doubled in turnout over the past 10 years. Best of all, while 2021 numbers were good, 2022 has been even better due to the return of our Canadian and International automotive enthusiasts. We thank everyone who came out this year and plans to return in the future!

CORVETTES AT CARLISLE BROKE IT'S OWN FUN FIELD RECORD DURING IT'S 40TH ANNIVERSARY THIS YEAR

A Carlisle car show is more than just cars on the Showfield. Every event hosted a very successful vending component. The energy within the automotive flea market was also trending in the right direction, as shoppers and vendors alike reconnected after being apart for more than a year. Finally, as Carlisle Auctions executes its second to last auction of 2022, they too can tout an amazing year to date. Pre-owned car sales remain at a premium, meaning events in Lakeland, Florida in February and at Spring Carlisle in April once again offer at or near record results for those respective auctions. In fact, the Spring Carlisle auction was the best auction ever produced by Carlisle Auctions with a 72% sell through rate and \$6.5 million in sales.

The success of the year continues, with not only the auction this week, but with another in Lakeland, Florida in November. For the Fall Carlisle auction, be sure to visit the Carlisle Expo Center to check out the all-truck hour, Bill Miller Collection and Dave Ferro Collection. These lots, plus hundreds more can be yours - or, you can walk over to the Carlisle Expo Center to watch and enjoy the fun as a spectator. Following an amazing 2022, plans are underway for 2023 and the full event schedule is available on page 3. Sign up for our newsletter at CarlisleEvents.com to stay updated. The fun begins again in January of 2023!
