PHOTO SUBMISSION GUIDELINES

You may apply online at: Invitationals.CarlisleEvents.com

- **ANGLES:** 1-4) front and rear three-quarter of both driver and passenger sides; 5) front; 6) rear; 7) engine; 8) interior and 9) trunk.
- **ABOUT THE CAR:** For exterior shots, be sure to have the hood and trunk down, doors and windows closed. Do not cut off the nose or tail end of your vehicle.
- **LIGHTING:** Feature your vehicle in good lighting (preferably outdoors), with good color, and very little shadows and glare.
- **BACKGROUND:** Feature your vehicle with a plain background such as a field, country road, garage, house, brick wall, parking lot, etc. Do not include people, pets, signs, other vehicles, or any other objects. Also, be aware of background objects (i.e. poles, trash cans, etc.)
- **PHOTO QUALITY:** Generally, any digital camera set to high resolution or fine quality will produce a photo of high enough resolution for print. Photos taken with camera phones aren't usually high quality.

If you have Adobe Photoshop, you can check the size. Go to the image menu and choose Image size. In the Image size window, be sure Resample Image is unchecked, type 300 in the box beside the word Resolution. Beside width and height, use the pull-down menus to choose inches. If the measurements are no smaller than 2 inches high and 3 inches wide, your digital photograph will be acceptable.

- **EXAMPLE:** This is a good front driver side three-quarters angle.

- **SENDING YOUR PHOTOS:**
